

HARRODIAN

Harrodian Minibus Services

Notting Hill and Kensington

Harrodian currently provides a morning bus service for the collection of children in the W2, W8 and W11 areas at a cost of £20.00 per child, per morning. This service has been running successfully for many years and ensures that our children arrive at school in time for morning registration.

We endeavor to collect children from their home address where possible, however if this is unviable, then we will suggest an alternative convenient location.

Please note that there are a limited number of places available on the buses.

If you are interested in booking a place for your child/children or if you have any queries, please do not hesitate to contact Barry at: transport@harrodian.com

Chelsea and Knightsbridge

This is a relatively new Harrodian minibusservice, currently covering the SW11, SW1, SW3 and SW7 areas. Again, we endeavor to collect children from their home address where possible, however if this is unviable, then we will suggest an alternative convenient location. This is a morning only service and the cost is £20.00 per child, per morning.

For further information on this, please email Barry at: transport@harrodian.com
