

*Lowther Primary School pupils (Henry, Bailey, Ayah, Talia, Ines) considered the play carefully and took the time to write some thoughtful reviews:*

Henry: 'Harrodian's Lion the Witch and the Wardrobe is a fantastic and thrilling production full of magic, mystery and wonder! The battle scene is by far the most exciting: it is acted out spectacularly... It looks amazing with the light and music; the backgrounds and props from the scenes look wonderfully realistic.'

Bailey: 'I loved how well the wardrobe and the mountains were made - the set design was fantastic! The actor who played Aslan was really good and the costumes were amazing. In my opinion the fight scene was the best and I liked when it appeared somebody was actually stabbed! The acting was fantastic throughout and I think the pupils did amazingly.'

Ayah: 'Every person remembered their lines and it looked so real! My favorite scene was the fighting scene between Aslan and the witch - I loved how one of the characters fell off the stage. It all looked so real. I also loved how Lucy remembered all her lines, like everyone, but Lucy was so realistic - her voice was loud and everyone could hear her. I loved how it was dark when one of the scenes ended.'

Talia: 'My favorite scene was the battle scene because I really liked the sound effects and the suspense. I admired how everyone remembered their lines and their stage presence was very well rehearsed. My favorite characters were the two beaver sisters because they were hysterical and made me laugh!'

Ines: 'We loved coming to Harrodian to watch your play - thank you so much! We really enjoyed it. In my opinion my favorite scene was the fight scene because all the characters were fighting together and it was scary and realistic. My favourite character was the evil queen that gave Edmund the Turkish Delight to draw him into Narnia.'
